PRIVATE LESSONS

If your dancer is interested in trying out for Revolution Elite Dance Competitive team then I would highly suggest private lessons. If your dancer just needs/wants a little more one on one time with an instructor privates are a great idea.

\$30.....30 min

\$60.....1 hour

You can set up a weekly private with any of our fabulous dance instructors. You contact the instructor and set up a time that works best for you and your dancer. This is highly suggested if your dancer is serious about dance.
